Bachelor's degree: Business Intelligence

Higher Institute of Management of Sousse

2021-2024

SKILLS

Java	HTML/CSS
Bootstrap	SQL
Python	React
Javascript	Php

LANGUAGES

English (C1)
French (B1)

PROFESSIONAL EXPERIENCE

May 2022

SMC BAHRIA

Worked as an intern where I got the chance to view the database of the company and view the different tasks executed daily by the employees.
This internship helped me with gaining knowledge of real life experience.

ACADEMIC EXPERIENCE

● Bookstore website

Frontend : Html, CSS, Javascript
Backend: Java (Servlets)
Database: Oracle Database Express Edition

● E-commerce website

This project is part of the first semester of my second year, Made using visual studio code as IDE, for the front-end with html, css and javascript to merge later on the files to eclipse ide to work on the backend using java and mysql.

● Bookshop

Used java interfaces to create a fully functional app, Connecting it to a database using java for the backend
